T. R. G. WILLIAMS, PHOTOGRAPHER

PHOTOGRAPHS OF SCOTTSDALE

T. R. G. Williams started as a photographer in Scottsdale, where his brother had a wheelwright business, but moved to Ararat in Victoria, later becoming a Councillor at Ringwood. Most of these photographs of Scottsdale and district in the early 1900s were published as postcards with the imprint: Real photograph by T.R.G. Williams, Ararat", but two of the Scottsdale Waterworks with post mark date 1907 (10 & 11) are stamped: T.R.G. Williams, photographer, Scottsdale. A handcoloured postcard by "Wynphotoprint" is also included in the collection.
