Dear Uncle James

I received  
by the return of Uncle  
Henry the desk that  
you so kindly gave me  
you will think I have  
been a long time in  
thanking you for it  
and also for the  
very kind letter you  
wrote to me and I  
will try and take  
care of the desk and

try to follow the kind  
advice you gave me  
The flower garden has  
been looking very gay  
Arthur and Ernest think  
they will finish the  
gorse next week either  
Ethel or I go up every  
day with their dinner

With kind love to all

Your affectionate  
niece

Alma Cotton
