To the Actuary of Savings Bank

Sir,

In reply to yours of this date informing me that the managers of the Bank offer me the Superintendence of the erection of the proposed new building, as Architect, on the following conditions, viz

1<sup>st</sup> That I shall not derive any benefit from any Tender or Contract for the erection of the building,

2<sup>nd</sup> That the Fifty pounds allowed for the Working plans and Design form part payment of the 5 per cent commission, constituting the usual allowance to Architects on the entire cost of the building,

I beg to state that I accept the offer and

Remain

Most Respectfully

Yours
