My dear Parents

It is with much pleasure I have to announce the approach of our Christmas vacation, it commences on Tuesday the 18.th of December,

and terminates on Tuesday the 22.nd of January next, which period I anticipate having the happiness of passing with you. I have been actively engaged in endeavouring to merit your approbation

approbation, by striving to improve in my various
branches of learning, and trust I shall be found to
have succeeded to your satisfaction.

Mr. Giblin desires his most respectful
compliments, and requests me to state, that the school
will reopen in his newly erected house at New-Town,
on the above mentioned day, where he trusts every
accommodation for our comfort and health will be
found.

Please to accept of my duty, and
Believe me to be,

My dear Parents,

Your very dutiful and
Affectionate Son.
